Swadling newborns with love

Annual Report

2012

A Message from the Executive Director

In the summer of 2011 when Helping Hand Me Downs was still in the concept phase I never would have guessed what an amazing journey lie ahead. For each of you who encouraged me and supported my dream I am forever grateful. The community support from businesses, other non-profit leaders and volunteers in 2012 far exceeded my expectations. I feel so blessed to be able to do what I love each and every day.

A huge thank you to all the amazing nurses and social workers who are on the front lines helping us carry out our mission. I can't wait to see what is in store for us next!!

- Stephanie Williamson, Founder and Executive Director, HHMD
